

Springboard Pattern for Gators. See <http://bikewinter.org/fleece> for more tips.

Fabric fold: save time by eliminating a seam.

*Play around with dimensions and report back what works best for you—stretchiness of fabric and size of models vary! The shorter the items, the more you can make. Use the narrower widths for children.*

Ear gator pattern dimensions:

4-8 inches tall and 8-11 ½ inches wide, on folded fabric.

Neck gator pattern dimensions:

8-10 inches tall and 10-12 inches wide, on folded fabric.

Direction of stretch

Use a ¼ to ½ inch seam.
